You are receiving this letter because I have gone through my list of youth involved in the Adams County 4-H Program and as I have gone through the list I have identified you to be an outstanding Camp Counselor potential!!

Before you say NO; I ask that you consider being a Camp Counselor for 2020 and what it can do for you as well as the young campers that you would be in charge of. As you are filing out the application, it is important to note dates that you will want to make sure the following dates are available for training if selected as a Camp Counselor:
