

## CARROLL COUNTY 4-H POLICIES

### IMPORTANT DATES

- JANUARY 15..... Enroll on-line or turn in a hard-copy enrollment form to the Extension Office.
- FEBRUARY 15**..... Beef, dairy steer and commercial heifer ID and weigh-in day.
- APRIL 1..... Beef, dairy steer and commercial heifer project ID on-line.
- MAY 15..... All other beef, goat, horse & pony, llama & alpaca, sheep and swine animal ID are due on-line. Note: All animals must be enrolled by May 15<sup>th</sup> in order to be shown at the county or state fair.
- MAY 15..... ADD and/or DROP Date - Last day to switch project books.

The proper compliance with established, stated and published final dates and deadlines is considered an appropriate expectation of 4-H membership. Submitting things on time and following the rules is part of the 4-H learning experience and is considered a reasonable thing to do. Individuals not complying with these expectations may lose awards and privileges. This is especially true in animal projects where animal ownership, raising and identification have a specific time line as part of the project requirements. Members not complying with established and published dates for exhibition may be denied all premiums or awards for that project.

### MEMBERSHIP

1. Youth may become 4-H Members when they enter the third grade and continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years.
2. Opportunities in the 4-H program are available to all Indiana youth as defined regardless of race, religion, color, sex, age, national origin or ancestry, genetic information, marital status, parental status, sexual orientation, gender identity and expression, disability or status as a veteran. Married young men and women of 4-H age may participate in any of the 4-H projects and activities. However, married persons must participate by the same rules and/or guidelines as unmarried participants.
3. Each member should enroll in a project based on their grade as of Jan. 15. 4-H'ers enrolled in a project, which has a different exhibit requirement per year (such as foods), will advance each year regardless of whether a school grade is repeated. For all other projects, 4-H'ers will be enrolled by their grade.
4. The 4-H Club year extends from September through August. Enrollment must be reinstated annually by completing an appropriate Carroll County 4-H Enrollment Form.
5. Individuals living in one county may be a 4-H member in another county as determined by county policy. However, a member may enroll in any given project in only one county at any given time and an exhibit may be shown in that same county only in a given year. This policy is to assist those youth who live in proximity of another county, go to school in another county and have friends in another county where joining a club in the adjacent county is in the member's best interest educationally and socially. This policy is not to provide an escape mechanism for troubled 4-H members not willing to follow the rules in their resident county. Questions regarding member acceptance in the adjacent county rests with the Carroll County 4-H Exhibit Association.
6. All 4-H members will pay a **\$15.00 State 4-H Program fee**. **This is to be paid when enrolling either on-line with a credit card or by check – made payable to: Purdue CES – Carroll Co.** and mailed to: Purdue CES – Carroll Co., 102 N. 4<sup>th</sup> St., Suite B, Flora, IN 46929. The State 4-H Program fee is \$15 per member (with a max of \$45 per family) and is due on-line or to the Extension Office before your enrollment can be "accepted". NOTE: Mini 4-H members will not pay the State 4-H program fee. Additionally, many 4-H clubs also have club dues. Please check with your club leader.

### 4-H CLUB

1. 4-H Club Definition: A 4-H Club is an organized group of at least five youth from three different families who meet regularly with adult volunteers or staff for a long-term, progressive series of educational experiences.
2. 4-H Club Purpose: The purpose of a 4-H club is to provide positive youth development opportunities to meet the needs of young people to experience belonging, mastery, independence, and generosity – the Essential Elements – and to foster educational opportunities tied to the Land Grant University knowledge base.

3. Structure of 4-H Club:
  - Enrolls at least 5 youth members from at least 3 families.
  - Conducts a minimum of 6 regular club meetings per year, with many holding 9 – 12 regular meetings throughout most or all of the year, and often supplemented by project meetings, camps, fairs, and other 4-H learning activities.
  - Selects youth officers or youth leaders to provide leadership to the club.
  - Meets in any location – a home, community center, military installation, library, public housing site, school, afterschool program, and / or many other places.
  - Adapts to and supports mobility of youth and parents – linking them to 4-H programs in other counties and states.
  - Meets interests and needs of youth in same-age or cross-age groupings and using single project or multiple project formats.
  - Is advised by adult staff or volunteers who have been screened and trained.
4. Program Management and Implementation for a 4-H Club. A 4-H Club:
  - Selects its' own club name. Club names must (for additional information please see the Fact Sheet on Naming 4-H Clubs / Units at <http://www.national4-hheadquarters.gov/>):
    - Be specific to the 4-H club or organization either through a unique name or by identifying the county or location.
    - Not be overtly religious or represent the beliefs of one denomination over another;
    - Not imply that membership is limited or exclusive; and
    - Not be offensive or generally seen as demeaning to any group protected by equal opportunity regulations.

  - Develops an annual educational plan.
  - Keeps records of their meetings and finances.
  - Complies with applicable state, Land Grant University and National 4-H Headquarters' policies.

#### **ATTENDANCE & PARTICIPATION**

1. All 4-H members are encouraged to attend at least 50% of their club meetings.
2. Attendance and participation at 4-H Meetings is highly encouraged as part of the overall educational experience. However, attendance or participation cannot be required as a criterion for project completion. 4-H club meetings should be of the quality that 4-H members should want to attend, participate and learn something beneficial. The rewards for participation in 4-H meetings, activities, tours should be significant enough to cause the member to see the advantage of reacting positively. 4-H Club Leaders and members of local clubs may establish goals for attendance, exhibits, and completion to meet criteria established for awards recognition for their clubs as long as they do not conflict with stated county, area or state policies.
3. Attendance at county project meetings or area or state activities will be substituted for local 4-H meetings when held at the same time.

**EXHIBITION GUIDELINES:** Exhibition of 4-H projects in local, county, or state exhibits / fairs is voluntary on the part of the exhibitor. The exhibition of 4-H projects provides 4-H members an opportunity to display their 4-H projects, enter into competition and participate in an educational social environment with peers. With exhibition also comes the responsibility for abiding by all the terms and conditions pertaining to the respective 4-H project.

**GENERAL FAIR GUIDELINES:** Everyone (4-H'ers, parents, and volunteers) should exhibit good character traits. This includes:

1. Respect – Pick-up trash and throw it in the trash dumpster. Be respectful of others property. Place only manure in the manure dumpster.
2. Responsibility – Make sure your animal is fed, watered and is in a clean pen. If you see an animal that needs attention contact someone on the livestock committee for that barn.
3. Teamwork – Older 4-H'ers should assist younger 4-H'ers with their projects such as getting animals to the scale and learning about showmanship.

4. Overall good behavior - Reminder – 4-H'ers sign this **4-H Member Statement**: I agree to follow the rules, policies and expectations of the 4-H program and will conduct myself in a courteous and respectful manner by exhibiting good sportsmanship and good behavior. I understand that failing to do so will result in sanctions, discipline, and / or dismissal from the program.

Parents sign this **Parent Statement**: I (we) understand, agree to abide by, follow, and comply with the rules, policies and expectations of the 4-H program and will conduct myself (ourselves) in a courteous and respectful manner by exhibiting good sportsmanship and being a positive role model for youth. I (we) also understand that failing to do so will constitute grounds for sanctions and / or dismissal of the member from the program.

**NOTE:**

- One parent signature commits the entire family to agree to the above statement.
- Any individual who displays inappropriate behavior, which may include anger, rage, foul language, will be asked to leave the premises and will not be allowed to return until they can conduct themselves in a courteous and respectful manner. Failure to do so will result in being escorted off of the grounds. Law enforcement may be contacted.

I understand that my failure to comply with these expectations may result in disciplinary action or termination as a faculty member, educator, staff, or volunteer of the Indiana 4-H Youth Development Program.

#### **CARROLL COUNTY GRIEVANCE & POLICY PROCEDURE**

The grievance procedures outlined in this document are utilized as part of an internal process of the Indiana 4-H Youth Development program for use when grievances of 4-H members, their parents/guardians, or 4-H volunteers cannot be resolved via reasonable conversation. This policy affords the opportunity in those unique situations to allow voice or opinion to be heard when there is a dispute regarding 4-H participation, activities or programs. This is not a mechanism for complaints against individual 4-H members (or their families), 4-H volunteers, judging officials for competitive events, or Purdue Extension staff. All resulting decisions will be made in accordance with the Indiana 4-H Program's stated mission to be an inclusive organization designed to encourage and maximize youth participation. The rights of the individual filing the grievance are limited to those provided by Indiana 4-H Program policy.

Purdue University, as the Land Grant University in Indiana, is charged (by the United States Department of Agriculture) with implementing the 4-H Program in communities across the State of Indiana. Purdue Extension Educators in each Indiana county represent the university in local communities and have the responsibility of assuring all 4-H volunteers meet basic university criteria as they serve as representatives of the university. Purdue Extension Educators additionally provide oversight to 4-H volunteers including the assurance that Indiana 4-H Policies and Procedures are appropriately implemented in 4-H Program delivery.

Individual county 4-H policies and procedures should be created and reviewed to assure they do not contradict established statewide 4-H policies and procedures. If a contradiction is discovered during the grievance process, Indiana 4-H Program policy shall be followed in determining the grievance outcome.

1. Grievances are made by completing the Indiana 4-H Grievance/Appeal form with the burden of proof being the responsibility of the individual filing the grievance. The completed grievance/appeal form and supporting documentation shall be presented to the president of the 4-H policy-making body (e.g., 4-H Council) or the Purdue Extension Educator who works with the 4-H Program. (NOTE: concerns regarding staff or volunteers are not issues for which a grievance may be filed. 4-H volunteers are assigned by the 4-H Extension Educator. Concerns regarding 4-H volunteers or other individuals should be addressed directly with the Purdue 4-H Extension Educator.)

2. Grievances pertaining to 4-H activities, programs or projects shall be filed within 14 days of an incident or occurrence. Grievances pertaining to county fair related issues are often time-sensitive and must be filed within 24 hours of the incident.
3. The grievance process occurs in the county where the issue or concern arises and offers three opportunities for a concern to be heard and reviewed.
  - A. The grievance is initially heard by an unbiased, representative grievance subcommittee. It is the Purdue Extension Educator assigned to 4-H Programming who shall annually work with the chair of the county 4-H Council to determine this committee's membership to include the following individuals: one representative of the 4-H Council; two 4-H volunteers serving as a 4-H club organizational leader; one member of the County Extension Board; and one 4-H volunteer knowledgeable in the subject matter (project) of concern (this individual will vary dependent on issue raised with the grievance). The Purdue Extension Educator assigned to 4-H shall convene the group.
  - B. The person filing the grievance may appeal the decision of the grievance subcommittee to the 4-H policy-making body, which will then review the facts in evidence and render a decision.
  - C. The person filing a grievance may appeal a decision of the 4-H policy-making body to the County Extension Board. The Extension Board will review the facts in evidence and render a decision. This is the **final level** in the appeal process.

\*\* While there is no doubt some overlap in who serves on these committees, the intent of a three level process is to assure different individuals have the opportunity to hear and act on the grievance. ALL individuals involved at any level of the grievance procedure are reminded of the importance of keeping discussions regarding grievances confidential.

To maintain the confidentiality of the parties involved, the grievance hearings at each level will be closed to the public. Only the individuals who have filed the grievance, the members of the grievance committee, and the Purdue Extension Educators will be present during each level of the grievance process, \*\*\*The grievance process is internal to the Indiana 4-H Youth Development Program and meetings of the grievance committees are not subject to Indiana's Open Door Policy.

The Purdue Extension Educator assigned to work with the 4-H Program has the obligation to inform all parties that there is a grievance procedure if there are disagreements with policies.

The practice of charging fees from those filing grievances shall be eliminated and all counties will utilize the Indiana 4-H Grievance/Appeal Form as part of the grievance process.

#### **JUDGE SELECTION POLICY**

Judges for all county projects will be secured by the 4-H /Youth Development **Educators** for all 4-H projects. The livestock committees will submit a list of 5 judging candidates from which a judge can be secured if available. Additional candidates will be submitted as needed.

## 4-H FINANCIAL POLICIES

1. Youth learn important life skills (e.g. budgeting, record keeping, etc) through experiences in managing financial resources. Youth therefore should be involved in the collection, accounting and distribution of funds.
2. 4-H is a public organization therefore, monies received from dues, fundraising and other sources are 4-H property intended for the benefit of all members. No single member, volunteer, or committee owns these monies.
3. Any fundraising program using the 4-H name or emblem must be in compliance with federal policies. (The 4-H name or emblem cannot be used for fundraising purposes in any games of chance including bingo.)
4. Every 4-H unit (council, club, committee, project group, etc) shall maintain a record of its activities, and the contributions it has received, prepare and keep on file a record of its financial transactions, file all necessary state and federal forms and submit an annual report to the Extension Educator responsible for the county 4-H program.
5. Annually, a financial review / audit shall be conducted of 1/5 of the county's 4-H units resulting in an audit being conducted for each unit at least once every five years. A review shall also be conducted at any time that there is a change in the primary adult volunteer working with the unit. A 4-H Unit / Club Financial Review / Audit form should be completed, signed and maintained for each club / unit (as conducted) in a file in the Extension Office. The Extension Educator will establish the schedule for reviews and notify the clubs of the review / audit data. Reviews may be conducted by an individual or committee selected by the local 4-H policy group (i.e. 4-H Council). Under no circumstances should the auditor be related to the adult volunteer who is a signatory on the account.
