Recycling

Judging - Thursday, July 2, at 3pm at the Fairgrounds; Shrine Building.
Will be considered for State Fair with the Any Other Crafts Category

****Please also refer to the Policies and Procedures beginning on page 2 and the General Project Rules on page 20.***

Requirement for judging:

- Recycled item that meets following criteria

The goal of this project is for youth to understand what recycling means and the benefits and importance of the practice.

Guidelines:

1. All materials used must be recycled or repurposed except for bonding agents.
2. No materials used in the items should be of a hazardous nature, i.e. old batteries, chemical containers, anything with mercury.

Exhibit Requirements:

Beginner (Grades 3 -5):

- a. Exhibit an item you have made by recycling, reusing or repurposing plastic, paper, wood, or metal objects.
- b. Include with your item a short description of the use(s) of your recycled project and how you made it. Pictures help tell your story.

Intermediate (Grades 6 – 8):

- a. Exhibit an item you have made by recycling, reusing or repurposing plastic, paper, or metal objects.
- b. Include with your item a description of the use(s) of your recycled project and how you made it. Use pictures to help tell your story as needed.

Advanced (Grades 9 -12):

- a. Exhibit an item you have made by recycling, reusing or repurposing any of the materials listed above or other materials that fit your purpose.

Include with your item a detailed description of the use(s) of your recycled project and how you made it, as well as a materials and costs lists. Use pictures to help tell you story as needed.
