Friday 4-H Nugget

Dear 4-H Community,

Just like that it is 2020! There is less than 11 days left in our 4-H Enrollment period. The beginning of a new year means a lot of things, it could be an opportunity to try something new, or try something different. We want to challenge everyone to think of a youth that you may know that isn't involved in the 4-H program. Invite that youth member to join! There isn't a person that I can think of that couldn't benefit from the opportunities that our program offers.

We have two big recruitment events coming up next weekend on January 10th and 11th. We are seeking assistance from clubs to set up a booth at these events to recruit new members. Be sure to check out the article below and share our Facebook event with friends!

Happy New Year,

Robert Kelly & Sthele Greybar

If you would like to help with one or both of these events, please contact our office. 4-H Clubs are strongly encouraged to participate during Discover 4-H weekend! Please contact Stehle to reserve a table and chairs if you would like a display. Thanks!
