

# BEGINNER'S GUIDE TO GRANT WRITING

The two-day **Beginner's Guide to Grant Writing** program is a great skill builder for the beginner or intermediate grant writer. Whatever your skill level, come with an idea and be ready to write. At the end of Day One, you will have a proposal outline and all of the resources you need to expand your outline into a full proposal.

Return on Day Two with your full proposal and we will put you into the role of a reviewer, teach you strategies for finding funding, and provide you with an opportunity to polish your proposal and send it in for a strong professional review.
