Enrollment:

1. Enrolled animals must be owned by the 4-H exhibitor by said deadline and must be under their continuous care, responsibility and ownership through the date of the 4-H show, except where change of ownership was to 4-H member's complete ownership. Siblings will be allowed to co-enroll goats on Livestock Enrollment Forms.
2. 4-H members must be enrolled in the Goat Project on the 4-H Online by May 15th.
3. All 4-H Meat and Dairy Wethers must have a five digit county tag or tattoo. Meat goat wethers exhibited at the State Fair must be retinal scanned at the Spring Tag-in Day on **May 5, 2020**.
1. All 4-H Boer and Dairy Does must have tattoos by May 15th. Market Goat Does must have a five digit county tag or tattoo. All Pygmy Goats must have one of the following forms of identification: tattoos, microchip, scrapie tag or 5-digit county tag by **May 15, 2020**. Chip readers must be supplied by the member.
2. All Meat, Dairy, and Pygmy Goat animals must be identified through Indiana 4-H Online by **May 15, 2020**.
3. Premise ID numbers are required on all 4-H Goat enrollments.
4. Superintendent has the right to limit the number of goats per exhibitor.

Health:

1. No health papers are required but animals must be free of abscesses, open sores, pink eye, respiratory disease, foot rot, sore mouth, external parasites or any other contagious diseases. All animals will remain loaded until inspected by the Superintendent at the time of check in. Animals with questionable health conditions will be referred to a veterinarian before being allowed to unload.
2. No intact males can be shown.
3. Any animal displaying any type of open or unhealed areas will not be allowed to unload.

Grooming

4-H Exhibitors may receive clipping and grooming assistance from members of their immediate family (father, mother, and siblings), from a current Indiana 4-H member, and from individuals enrolled in the Indiana 4-H Approved Animal Grooming Assistance Program. Temporary guardianships are not permitted and shall result in immediate disqualification.

- a. At the County and State Fair, State Fair and 4-H officials reserve the right to request identification from any individual grooming any animal(s), violations to the policy may result in the disqualification of an animal entry.

- b. **NEW FOR 2019 - Beginning in 2019 applicants must also complete the online Animal Ethics modules located here**
<https://extension.purdue.edu/4h/Pages/Online-Animal-Ethics-Program.aspx>
every two years. These 4 modules are intended to reiterate the importance of providing a foundation for 4-H families to start a conversation about livestock ethics and an understanding of why rules are in place. Ensure 4-H parents and adult mentors realize they are representatives of a larger livestock industry and give them tools to communicate effectively with the general public on behalf of that community. Last but certainly not least, to ensure animals in the Indiana 4-H Program are treated with the utmost care. At the conclusion of 4 modules please enter your name and county of primary residence.

Once enrolled in the program, you will be able to assist any 4-H member from any county on any animal species. To be enrolled in the program for the state fair, this application must be completed by **July 1** annually and the modules must be completed once every **2 years (starting April 2019)**.

It is the intent that the 4-H member take responsibility for caring for and grooming his/her own animals. However, it is recognized that all youth need assistance. The purpose of this program is to provide an avenue for equal access to qualified animal grooming assistance. Those enrolled in this program should not see this as a way to do the work for the 4-H member, but should provide hands-on learning opportunities that further the skills and abilities of the 4-H member.

Please note that the program as described above is for the Indiana State Fair. While it is likely that some counties will adopt this policy for their county fairs, those decisions are made by the respective county fair boards and/or county 4-H councils. Please check with your County Extension Office for specific county fair rules.
