

LIVESTOCK AND ANIMAL SECTION

General Rules

PLEASE NOTE: Any changes/updates from the previous year will be BOLD and ITALICIZED! Pay special attention to any projects with BOLD, ITALICIZED WORDS because they have changed from last year.

1. 4-H Livestock members are required to read and complete seven activities they choose from their appropriate age grouped 4-H livestock manual per year or general record sheet. The manuals are divided by Grade levels: Level 1 (Grades 3 through 5 in January of current year), Level 2 (Grades 6-through 8 in January of current year), and Level 3 (Grades 9 through 12 in January of current year). The manual must be turned in to their 4-H leader in order to complete your project. Once you have completed the project, you then have the privilege of exhibiting at the 4-H Fair. As part of the seven required activities, youth may choose to participate in Hendricks County 4-H livestock meetings/workshops. For example, a Beef Member may choose to attend three Beef Club meetings/workshops and do four activities in the Beef manual for a total of seven activities. Youth must be able to prove to their club leader that they attended the workshop/meeting in order for it to count toward the seven activities.
2. 4-H members can meet the basic requirements of exhibition by participating in an Interactive Project Demonstration relative to the enrolled livestock project. Interactive Demonstrations will be presented during the 4-H Fair and will be critiqued.
3. Each 4-H member shall own (or lease) his/her own exhibit. The ownership or lease agreement must be in effect on or before the county enrollment deadline and continue through the State Fair 4-H show. Llamas, Alpacas, Horses, Ponies, and Dairy are the only animals eligible to lease their animals. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair shall not be eligible to show at the State Fair. 4-H animals exhibited after the animal enrollment deadline (April 1 for steers and May 15 for all other animals) at any show by anyone other than the person listed on the Indiana 4-H animal enrollment form will not be eligible to be shown in the 4-H show at the county or Indiana State Fair. The term/condition does not apply to siblings and parents, who may show each other's animals at any show during the year without jeopardizing state fair eligibility. This policy applies to all 4-H animal projects. For animal projects without enrollment forms, the person who enters them in the county or Indiana State Fair 4-H show is the equivalent of the enroller of the animals.
4. 4-H animal projects that require registration papers in 4-H breeding classes will NOT be accepted which are registered in a parent/guardian's name only, farm name only, or partnerships with unrelated persons (such as "Smith View", "Smith Oak", "John Doe & William Smith", "Long Oak & William Smith", etc.). Acceptable registrations are (1) in the 4-H member's name, (2) John Smith & Sons, (3) John Smith, Sons & Daughters, (4) John Smith & Family (family includes sons, daughters, and legal guardian youth only), (5) Mark Smith (brother) & Mary Smith (sister), (6) Family Corporations, where the 4-H members' name appears as a holder of stock in the corporation, and proof of same must be supplied on or before the enrollment date, (7) Family Partnership where the 4-H'ers father, mother brother, sister, aunt, uncle, grandparent, and/or legal guardian is also in the family partnership and the 4-H'ers name appears on the legal, notarized partnership. A copy of the written document must be completed and turned in to the Extension Office prior to May 15th.
5. All breeding animals must be registered in their respective breed associations and earmarked or tagged to coincide with their individual registration papers. The barn director will check registrations.
6. 4-H Livestock must be enrolled via the online enrollment website before the following dates:
 - **April 1st** - Beef Steers and Dairy Steers.
 - **May 15th** – Registered and Commercial Beef Heifers, Dairy, Horse & Pony, Sheep, Goats, Llama, Alpaca and Swine.
7. Poultry and Pigeons must complete a hard copy enrollment form and turn it in to the Extension Office by May 15th. (also available in PDF to submit electronically to the Extension Office).
8. 4-H members in any livestock project must also indicate their projects on their individual 4-H Member Enrollment by May 15th on 4-HOnline.
9. 4-H members enrolled in livestock projects must complete a "Stall/Cage Reservation Form" indicating the

- number of animals they plan to exhibit at the 4-H Fair via FairEntry or hardcopy (dependent upon species).
10. All members with livestock are to bring their own feed, feed trough, watering equipment, hay and bedding. He/she must be responsible for transporting his/her own exhibit to and from the show.
 11. All livestock trucks and trailers are to remain off of the Fairgrounds during the 4-H Fair.
 12. Overnight stays by 4-H members are not permitted on the Fairgrounds.
 13. All exhibitors of livestock are required to have stock accessible to visitors for inspection by 9:00 a.m. each day and to keep the stalls in clean condition. The exhibitor and their helpers should dress neatly. Any obnoxious or repulsive articles will be excluded from the grounds.
 14. Only one (1) livestock entry may be shown in a particular class by an individual club member except in beef, dairy steer, barrow, gilt, goat and single lamb projects where two are permitted.
 15. Every attempt will be made to provide a class for any Indiana State Fair Breed of Livestock. For other breeds not established by the State Fair, please refer to the individual species for classes offered.
 16. 4-H animal exhibitors who plan to exhibit an animal in a class at the Hendricks County 4-H Fair are expected to show their animals. Requests will only be granted to those exhibitors who have medical emergencies or conflicts with showing other animals. These requests need to be approved by the barn superintendent or the designated superintendent of the show. Any other circumstances that are deemed unavoidable must be approved by the Hendricks County 4-H Youth Council or 4-H Youth Development Extension Educator. Failure to be excused from a job and/or participation in a band or sporting event or practice will not result in a substitute showman being granted. In addition, the substitute showman must be a Hendricks County 4-H'er.
 17. All 4-H Livestock exhibits must meet health requirements set by the Indiana State Board of Animal Health. Animals that don't meet these health requirements will not be permitted on the fairgrounds during the fair. The Indiana State Board of Animal Health requirements can be found on the Extension Office website under the 4-H Handbook link or you can refer to the Indiana Animal Health Requirement for Exhibition of Domestic Animals via the Indiana State Board of Animal Health Website.
 18. All exhibitors will receive ribbons. Exhibits in the livestock classes will receive ribbons designated first to tenth places with all exhibits below tenth receiving achievement ribbons.
 19. A Champion and Reserve Champion may be given in each section provided there are blue ribbon entries (judge's discretion). In livestock classes, if only one (1) animal is shown in a particular breed, Champion will be awarded at the discretion of the judges.
 20. A Showmanship Contest will be conducted in the Judging of Beef, Dairy, Goat, Sheep and Swine. All members showing these livestock species are eligible to participate in the Beginner, Intermediate, and Senior Showmanship Contest. Each participant must show the same animal throughout the entire showmanship competition. Beginners are those who are in Grades 3 through 5 in January of the current year. Intermediates are those who are in grades 6 through 8 in January of the current year. Seniors are those who are in grade 9 and up in January of the current year through their last eligible year in 4-H. Before the livestock show begins, each 4-H exhibitor interested in participating in the Showmanship Contest must register with the Show Superintendent. All previous Beginner Showmanship Champions in the listed species must show in the Intermediate Class. All previous Intermediate Showmanship Champions must show in the Senior Class. There shall be an Honor Group of five (5) in showmanship selected from which the Champion will be chosen.
 21. The Hendricks County 4-H and Agricultural Fair Association assumes no financial responsibility for any condemned carcasses of any animals sold at the Hendricks County 4-H Fair.
 22. Judges will be announced on or around June 1st. Their decisions will be final.
 23. All livestock stalls and tie-outs must be cleaned out before animals can be released.
 24. Fraud, deception, any prohibited activities (of general or departmental rules), or any activity determined to be improper or unethical by the 4-H Fairboard or 4-H Youth Council, a 4-H Fair Director and/or the 4-H Youth Educator shall not be allowed. Any exhibitor found in violation is subject to sanctions and/or disqualification.
 25. TAMPERING, ALTERING, and/or MISREPRESENTATION relative to any 4-H exhibit is prohibited. This prohibited activity includes but is not limited to breeding, age, ownership, and/or method of preparation or completion. (For example, with animal exhibits this includes, but is not limited to, coloring which alters or misrepresents breed characteristics, pumping, attaching hair/hair substitutes, or filling.

26. UNETHICAL FITTING OF ANIMAL EXHIBITS is defined as the administration of any substance (to include, but not limited to, drugs, blood, oils, steroids, air, chemical substances) or performance of any surgical or non-surgical procedure altering the animal's configuration or natural conformation of any part of the animal's body, or rendering its tissues unfit for human consumption is prohibited. Exceptions which are allowed in the rules above include hoof trimming, dehorning, removal of hair, manipulation of normal attached hair, castration, branding, tattooing, ear notching, docking of tails on sheep and swine, and coloring which does not alter or misrepresent breed characteristics.
27. 4-H Market Animals shall not contain any identifiable or unidentifiable foreign substance, including drugs, steroids, or chemicals greater than those standards established by the United States Department of Agriculture (USDA) or Food and Drug Administration (FDA) as permissible for sale for consumption as human food both on the day of show and on day of shipment to market from the Hendricks County 4-H Fair. All withdrawal times must be adhered to for those animals being sold in the auction.
28. No 4-H exhibitor may take exception to the decisions of an official and/or judge in an unprofessional and/or public manner nor shall any exhibitor or person representing the exhibitor interfere with or show disrespect to any judge or show official.
29. Violation of the rules may result in the removal of one or all the 4-H'ers livestock from the show or other penalties as determined by the Barn Director and Extension Educator or 4-H Youth Council Representative.
30. Placing of 4-H exhibits will not be adjusted after placings become official.
31. 4-H Exhibitors may receive clipping and grooming assistance from members of their immediate family who are no more than two (2) generations removed from the exhibitor, from a current Indiana 4-H member, and from approved 4-H Adult Volunteers that participated in the 4-H Livestock Volunteer Conference who are from the 4-H member's county of enrollment. Temporary guardianships are not permitted and shall result in immediate disqualification. We recognize that all family structures are different and the relatives assisting the 4-H member with their animal project may be different depending on the family so a very specific list of acceptable relatives may not be appropriate in all situations. Thus, we have worked on an adaptation to the grooming rule. This is meant to be inclusive while recognizing that 4-H family structures differ greatly depending on the situation. Obviously, the intent is to include step, half and in-law relatives. Approved Hendricks County 4-H Livestock Species Leaders are also eligible to assist 4-Hers with grooming of that species. Example: Approved Sheep Leaders may help groom Sheep on day of the Sheep Show. Any person that does not meet the requirements listed above may assist with grooming if they have completed and pass the Hendricks County 4-H Approved Animal Grooming Assistance Program paperwork and application by June 15th of the current year. Those who are a part of the Grooming Assistance Program agree to follow the rules and guidelines listed in the handbook and program paperwork.
32. Submission of an entry to the Hendricks County 4-H Fair expressly binds the exhibitor to all terms, conditions, rules and regulations contained in any and all parts of the 4-H Handbook and supplemental notices.
33. All sponsors, farm names, or family names and logos are to be covered or removed from clothing, tack and tags while exhibiting.
34. Animals are automatically co-enrolled with siblings of the same 4-H family as long as they are entered on at least one child's 4-HOnline profile by specified date. 4-H family must be under the same 4-HOnline family profile. Animals being exhibited will need to be declared by 4-H member by designated date. Example: Sister enters Goat 1 and Goat 2 on 4-HOnline. Goat 2 may be shown by Brother as long as declared by designated date.
35. To exhibit beef cattle, dairy cattle, swine, sheep, goats, poultry and rabbits, 4-H members must be certified through the Youth for the Quality Care of Animals. This is an annual program that can be completed via online modules or in-person trainings. For more information about in-person trainings, please contact the Hendricks County Extension Office. More information about YQCA is available at <http://yqca.org>. The goals of having 4-H members complete the YQCA program include ensuring that
- Youth will be more prepared to be ambassadors for animal agriculture in their role as youth livestock exhibitors.
 - Animals from youth livestock programs are treated with the utmost care.
 - 4-H members are contributing to a safe, wholesome food supply.
- In-person training is available in Hendricks County and surrounding counties. Please contact the Extension Office for dates/times or visit the Hendricks County Extension website at <https://extension.purdue.edu/hendricks>.

FAIR CHECKOUT FOR ALL SPECIES:

Penalty for early departure for animals:

- 4-H member will not be eligible to exhibit that species the balance of the current year and the subsequent year
- 4-H member will not be eligible to sell any species in the auction

Only exception for early release:

- Proof of State Fair entry for each animal and during designated state fair animal release day and time for that species; and
- You must leave at least 1 animal for each species on the fairgrounds until regular check-out time

The below table lists the different individual types of animals and their respective form of identification that is required to be eligible for the 4-H animal shows at the Indiana State Fair (and Hendricks County 4-H Fair). It is these ID types that are required to be in Indiana 4-H Online by the respective deadline. Any of these IDs that are missing, incomplete, or incorrect will result in state fair (and county fair) ineligibility.

ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION OF DOMESTIC ANIMALS IN INDIANA 2020 (updated 12/2019)

This document describes the Indiana State Board of Animal Health's (BOAH) requirements for all animal exhibitions in the state. However, exhibition organizers may impose additional requirements as a condition of exhibition. **BOAH recommends contacting the exhibition organizer for specific information about requirements for each event.**

Please call the Indiana State Board of Animal at (317) 544-2400 with questions concerning exhibition requirements in Indiana.

GENERAL REQUIREMENTS FOR ALL SPECIES

A. Limitations on Exhibition

This section describes limitations on exhibiting animals in Indiana. Other exhibition limitations may be described in the species-specific requirements that follow.

1. Failure to meet all animal health requirements will result in removal of animals from the exhibition premises.
2. The following animals are not eligible for exhibition in Indiana:
 - a. Animals that originate from a herd that is under quarantine.
 - b. An animal prohibited from exhibition under any law or order.
 - c. Any animal classified as a brucellosis "suspect".
 - d. Animals showing signs of any infectious or communicable disease or that are a health hazard to people or other animals.
 - e. Any animal that does not meet state animal health requirements.
3. Any animal that develops or shows signs of any infectious or communicable disease during exhibition must be removed from the premises, including the surrounding exhibition grounds. An owner who is disputing the exclusion of his/her animal(s) from exhibition may not exhibit the animal in question pending any appeal.
4. The State Veterinarian is authorized to make the final determination as to an animal's eligibility for exhibition. The state veterinarian may order removal of any animal from the exhibition grounds.
5. Exhibition organizers may impose health requirements in addition to those prescribed by BOAH. Added requirements may not contradict requirements imposed by BOAH.
6. Exhibition organizers may have a licensed and accredited veterinarian review animals and animal health documentation during the exhibition.

B. Certificates of Veterinary Inspection

1. **For animals that originate within Indiana**, a certificate of veterinary inspection (commonly known as a "health paper") is not required by BOAH for exhibition. Contact the exhibition organizer to determine if a certificate of veterinary inspection (CVI) is necessary to meet the organizers exhibition requirements.
2. **For animals that originate outside of Indiana**, the exhibitor must have a properly completed CVI for all animals prior to entry. This requirement applies to all domestic animals (except fish and poultry).
 - a. CVIs must be completed by a licensed and accredited veterinarian who has personally inspected the animals.
 - b. A CVI for any animal is valid for 30 days from the date it is issued by a licensed and accredited veterinarian. *NOTE: Animal(s) must be inspected by a licensed and accredited veterinarian no more than ten days prior to the date in which the CVI is issued.*
 - c. CVIs must clearly include a description of each animal including the age, sex, and breed of the animal, and the official individual identification.
 - d. CVIs must accompany the animal while on the exhibition premises.

C. Pre-Entry Movement Permit

1. **For swine and cattle that originate outside of Indiana**, a pre-entry movement permit number must be noted on the certificate of veterinary inspection. Permits should be obtained online at: <http://www.in.gov/boah/2661.htm>
 - a. The 2020 Indiana State Fair pre-entry movement permit number is “**INSF20**” and must be noted on the certificate of veterinary inspection.
 - b. The 2020 National Swine Registry Open and Junior Exposition pre-entry movement permit number is “**EXP20**” and must be noted on the certificate of veterinary inspection.
2. **For farmed cervids that originate outside of Indiana**, a BOAH approved pre-entry movement permit number must be noted on the certificate of veterinary inspection. Permit applications are available online at: <http://www.in.gov/boah/2730.htm>
 - a. The pre-entry movement permit application must be received by BOAH at least 5 business days before moving into Indiana.
 - b. The Indiana State Board of Animal Health must authorize any proposed movements **prior** to entry into the State.

D. Indiana State Fairgrounds

1. The Federal Premises Identification Number for the Indiana State Fairgrounds that should be recorded on all associated CVIs is: **00C6T69**
2. The physical address for the Indiana State Fairgrounds that should be recorded on all associated CVIs is: **1202 E 38th St, Indianapolis, IN 46205**

E. Identification

All exhibition animals must be permanently and individually identified unless otherwise noted. Official ear tags are tags approved by the USDA that bear the US shield. All official identification and any additional identification devices should be recorded on the certificate of veterinary inspection.

F. Testing

1. All tests required for exhibition must be conducted at the Animal Disease Diagnostic Laboratory (ADDL) at Purdue University, a laboratory approved by the Indiana State Board of Animal Health, or a state or federal-approved laboratory.
2. All animals, including Indiana animals, that are to be offered for sale to out of state buyers should have the necessary testing completed prior to the sale date. The destination state should be contacted to ensure all pre-entry movement requirements are met prior to the planned movement.

GENERAL RULES:

1. The Hendricks County 4-H Fair Livestock Auction is a terminal sale. This means that all animals going through the auction will not be returned to the 4-H'er. In this case, all animals going through the auction must be market ready on the day of the auction. The definition of market ready is all animals should be free of any drug residue and meet the required withdrawal times.
2. For advertising purposes, firms or others may bid on beef, dairy steers, lambs, hogs, rabbits, goats, poultry baskets, or cheese baskets to support the 4-H'er's. Buyers will bid on animals and pay the bid premium to the 4-H'er's. Persons or firms buying animals under these conditions will not be responsible for the disposition of the animals, since the packer-buyer who established the appraised value will be present at the livestock auction with trucks and personnel. The 4-H Fairboard is only responsible for the total appraised amount. They will mail that amount to the 4-H member following the fair. Additional information regarding the sale process will be available during the fair before the sale. Please feel free to contact any member of the sale committee for additional information.
3. A group of people, firms, buyers whom wish to purchase an animal together is asked to register for a number. The person in charge of the group buy is responsible for getting the information to the group. (ex. 4-Hers name, address and amount owed) At the time of the registration, the buyer will need the list of the names in the group for recognition at the time of sale. This list will also be used to add the buyer name to the board in the NSSB arena.
4. All animals will be sold on weigh-in weights.
5. Each 4-H member must sell his own livestock in the sale ring. In case of sickness, etc. the owner may have the animal shown by another Hendricks County 4-H Club member, but must have prior approval by the Fairboard barn director.
6. All animals to be sold must be ear notched or tagged for positive identification before sale sign-up.
7. During the 4-H Fair, 4-H Livestock members will be informed concerning the time for weighing, appraising, and numbering of animals to be sold. Once animals are entered in the auction, they cannot be withdrawn.
8. A 4-H member may sell only one animal. Animals can be of either sex. Animals to be sold should be designated to the auction committee, who will number them and compile the order of the auction.
9. Animals shall be "sound" before entering arena before sale. Any decisions on questionable animals will be by the Fairboard barn director.
10. A maximum of ten (10) meat pens of rabbits will be sold throughout the auction.
11. Only 4-H members will be allowed in the auction ring while selling their animals.
12. Sign up deadlines will be observed - refer to fair schedule for times.
13. Any problems will be reviewed by the sale committee.
14. Hendricks County 4-H members will thank the buyers for their support at the Livestock Auction.
15. Any animals that are condemned at market will be at the 4-H'ers expense.
