## PROJECT DESCRIPTION:

This is an animal project which develops knowledge and skills used in various animal industries. This project will allow 4-H members who are unable to exhibit a live animal to still learn about 11 different animal species. It allows the 4-Her to enjoy the experience of learning new information and sharing that information with the public through a poster that they will make and display at the Clinton County and 4-H Fair. 4-H member will be enrolled in the project by their grade level in school.

## POSTER REQUIREMENTS

See general poster guidelines and requirements.

## RULES:

1. Choose no more than 5 of the following animal species: Beef, Cats, Dogs, Lamas, Dairy, Goats, Swine, Sheep, Poultry, Rabbits, Horse
2. Attend at least one (1) meeting of the chosen animal Species (as appropriate).
3. Complete a poster project relating to the chosen species using suggested topics below.

|                    |                       |
|--------------------|-----------------------|
| Breed Study        | Feed/Nutrition        |
| Animal Cruelty     | Vaccinations          |
| Veterinary Care    | Responsible Ownership |
| Grooming Correctly | Rescues               |
4. Each poster must have been made by the 4-H member enrolled in the current year's 4-H program.
