PROJECT INFORMATION:

In this project the members will work backwards in time to find out how many generations they can discover. The 4-H'er will use many interesting sources including birth records, old letters, photographs, and newspaper clippings.

1. Forms for this project are found on the Indiana 4-H web site www.four-h.purdue.edu Click on "projects" and then on Genealogy to reach downloadable forms. Remember, this project needs a completed record sheet also.
2. This is a project that builds on the previous division information in order to be successful in building your family tree. This project is organized into divisions and not grades because a youth cannot start in Division 3 without first completing Division 1 and Division 2.
3. If you are using a genealogical commercial software program, you may need to type in or handwrite in information required by the Indiana 4-H Genealogy project. (Please see information in #1 about forms.) Since the current year's exhibit builds on the previous year's data collection, only the current year's data collection is required for exhibition.
4. To minimize the potential of identity theft, original legal documents are NOT to be included in the exhibit notebook. Instead, a photocopy of any legal document is to be included in the notebook and all identifiable information (like social security numbers) except for names is to be completely marked out. Original legal documents are to be kept in a secure location by the 4-H member and his/her family.
5. All notebooks must include a reference list indicating where information was obtained, giving appropriate credit. This should be included as the last page of the notebook.
6. If information on a family member is unknown, an additional information worksheet for each required ancestor is still required. Write "unknown" or "NIA" (no information available) in pencil for each sheet of unknown ancestors or list several ancestors on a page and insert page in proper numerical order. Family group sheets and additional information sheets may be submitted for current division.
7. To minimize the risk of identity theft, a picture of the exhibitor and project will be displayed along with results, instead of displaying the actual project.
8. The exhibit will consist of no more than four (4) notebooks for Division 1-4 and first year Advanced Division. (If a notebook requires additional space, label it as notebook x, continued.) Those notebooks are:
 - Book #1 – 3" D-ring binder, contains introduction sheet, pedigree charts and family group sheets
 - Book #2 – 2" D-ring binder, contains additional information worksheets and diary of work
 - Book #3 – 3" D-ring binder, contains supporting documents, pictures, etc.
 - Book #4 – 3" D-ring binder, contains Advanced Division options only (Begin using this notebook in first year of the advanced division or the fifth year of project enrollment.)
 - Another notebook should be maintained and kept in a secure place at home to keep original personal and legal documents as well as previously exhibited work.
9. Notebooks should be tabbed and in the following order:
 - Book #1 - Introductory Page; Pedigree Charts; Family Group Sheets
 - Book #2 - Additional Information Worksheets; Diary of Your Work
 - Book #3 - Any Other Documents (label with ancestor numbers on tab)
 - Book #4 – Advanced Division Options (label each tab separately with the specific option); Diary of Your Work (this will be a second diary describing work done for each advanced division option)
10. Pedigree Charts, Family Group Sheets, Additional Information Worksheets, and Diary Sheets are to be placed in the notebook back-to-back in sheet protectors to save space, reduce the information being damaged, and reduce the number of sheet protectors required.

11. So the notebook exhibit can be displayed to the public and to minimize the potential of identity theft, original legal documents are **NOT** to be included in the exhibit notebook. Instead, a photocopy of any legal document is to be included in the notebook and all identifiable information (like social security numbers) except for names is to be completely marked out. Original legal documents are to be kept in a secure location by the 4-H member and his/her family.
12. All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H members exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc.
13. Reference notations are to be made in the “source” column of the Family Group Sheet and on each document.
14. If information on a family member is unknown, an additional information worksheet for each required ancestor is still required. Write “unknown” or “NIA” (no information available) in PENCIL for each sheet of unknown ancestors or list several ancestors on a page and insert page in proper numerical order.
15. After exhibiting the 1st year of the ADVANCED Division, only the Advanced Division notebook (Book #4) with ALL OPTIONS (no pedigree charts, no family group sheets, no additional information sheets, no documents from Divisions 1-5) needs to be exhibited each year the genealogy project continues.
16. Suggested Genealogy Supply List:
