PROJECT RECOMMENDATIONS:

It is recommended that in the first year the members start with a small patch and then increase the acreage as home and market conditions justify.

REQUIREMENTS:

Level A: 25 - 50 plants
Level B: 50 - 100 plants
Level C: 100 - 150 or more plants
Level D: 200 or more plants

EXHIBIT:

LEVEL A: GRADES 3-4

1. Make arrangements for an Extension Educator to visit your strawberry patch before the fair.
2. Exhibit a picture of your berries or patch during fair week.

LEVEL B & ABOVE: GRADES 5-12

1. A quart of berries (with caps on) picked from your patch should be taken to the Extension Office for judging during the normal strawberry harvest season. Please call the Extension Office at 765-659-6380 to schedule a drop off time.
2. Exhibit a picture of your berries or patch during fair week.

NO STATE FAIR ENTRY
