(No State Fair Exhibit)

- Enroll in 4-H, pay annual program fee, and enter project in 4HOnline by May 15
- Enter exhibit(s) in FairEntry by last business day in June, which is June 30, 2020. See page 8 Rule #24.
- Exhibits checked-in Saturday, July 25 from 9am-12 noon, judging starts at 12:30 pm

An Allen County 4-H General Record Sheet must be completed, signed and turned in at the beginning of check-in for All Exhibit Building Projects.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author when using outside sources, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.

4-H members are encouraged to begin this project after their first year of 4-H. **Select a project category and list life skills (see project manual-an example would be "responsibility") acquired in all of the related project areas. Under each skill describe examples of the use of this life skill in your 4-H projects. You may enter up to 3 separate resumes, each in a different category.** 4-Hers will learn how to develop documentation that can be used to apply for various 4-H scholarships in their advanced 4-H years. This project is especially helpful in preparing 4-Hers for the Achievement Resume Scholarship.

(7) Categories:

NOTE: You may enter in the same category every year. Your resume will reflect growth because you have added more life skills and examples.
