

DOG POSTER PROJECT

Purpose: To promote an educational, creative, dog-related 4-H exhibit.

Exhibit Requirements

A dog poster should be designed to teach those who view it about the selected topic. 4-Hers are encouraged to seek assistance from their 4-H Dog program leaders, the County Extension Office staff, the internet, and the public library. Posters must be 22" x 28" highlighting an educational topic about dogs, displayed horizontally with a stiff backing and a clear protective covering.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.
