## HOW I CARE FOR MY DUCKS

I have two Rouen ducks  
and two Swedish ducks  
that I take care of with  
my family.

My family and I built a  
duck house for shelter  
from predators and to  
keep them warm during  
the winter.

They swim in the pond  
all day and rest on the  
lawn at night.

I give water and poultry  
feed to my ducks once in  
the morning and once at  
night.
