

Friday 4-H Nugget

Dear 4-H Community,

We are officially halfway into October and it is feeling like fall with our freeze warning last night! Thank you to everyone that participated in National 4-H week by sharing our posts, and sharing your photos and memories. Be sure to keep that up as word of mouth is our best advertisement for the 4-H program. There are lots of great opportunities coming up for you to participate in so be sure to check those out. On another note auction checks did get mailed this week! Be sure to send those thank you notes to your supporters.

Enrollment is well underway for the year and we encourage you to get yours done early. You can go v2.in.4honline.com and sign up now. If you have any questions be sure to contact our office and we will be glad to assist you.

All the best,
