

Friday 4-H Nugget

Dear 4-H Community,

We are officially one month into the 4-H Enrollment season! Our staff has begun to process enrollments and work with 4-H Online 2.0. Be sure to take some time to complete yours today. Need suggestions for projects? Check out our website listing with the over 70 projects that Elkhart County offers.

Did you know that we started the Friday 4-H Nugget newsletter just one year ago? A lot of things have happened since then. This newsletter serves as our main communication source to families in our program and we want to ensure that it is effective. Take a few moments to fill out a [feedback survey](#).

There are many things coming up this month from the Hacienda Gives Back days, our College and Career Readiness Workshop to the Indiana 4-H Leadership Summit. We look forward to seeing many of you at these activities, and if you have any questions be sure to contact our office.

All the best,

Enroll In 4-H Today!

4-H Enrollment is open! Be sure to get your enrollment completed soon. Everyone needs to enroll in the program every year to be considered active.

Be sure to use a current email address that you use as this is our main source of communication. Make sure that we have the current phone number, cell/or landline, in your personal profile.

A change for returning volunteers, all volunteers will need to complete the Youth Safety/Child Abuse training annually. This will be completed at the time of enrollment. We will have in-person trainings as well. Until the Youth Safety/Child Abuse training is complete volunteers can't work with youth.
