

What will the 2021 4-H Fair look like?

Will it be open to the public? Will there be special events? Will social distancing be a thing of the past?

Oh, how we wish we knew! We do know that no matter what form it takes, 4-H continues to be a powerful force for youth empowerment.

4-H members are:

- Four times more likely to contribute to their community.
- Two times more likely to be civically active.
- Two times more likely to engage in science programs outside of school.

Your support helps keep youth engaged.

The Hamilton County 4-H Program and the Hamilton County 4-H Fair are sponsored and governed by the Hamilton County 4-H Council, Inc. The Indiana 4-H Mission is to provide real-life educational opportunities that develop young people who will have a positive impact in their communities and the world.

The 4-H Youth Development program is one of four program areas of the Purdue Extension Service of Hamilton County. Program areas include Agriculture & Natural Resources, Health & Human Sciences, 4-H Youth Development, and Leadership & Community Development.
