Agenda

9:00 AM: Dicamba Update, Trish Dunn, OISC

Trish Dunn is the Fertilizer Containment Specialist for the Office of the Indiana State Chemist. She will share an update on Dicamba and review the secondary containment rules for fertilizer and pesticides. You will hear the latest news about Dicamba in Indiana, and find out if containment is needed at your facility. Bulk pesticide amounts may be less than you realize!

10:00 AM: 2020 Indiana Field Crop Disease Update, Darcy Telenko

Darcy Telenko is a Purdue University field crop pathologist and Extension Specialist. Her presentation will review disease management issues encountered during 2020. We will discuss issues related to disease management and management tactics that were successful in addressing these problems.
