

2021 Garden Team Volunteer Form

Date _____

Name _____ Phone _____ Email _____
Please **print** the above information. Please carefully print this information

Deadline: Please email to jackiehooper@aol.com or you may drop this form off at the extension office by **Friday January 15, 2021**

_____ I would like to stay in my existing group (if you check this option you don't have to provide additional choices below)

Name of garden you want to stay in: _____

*I would be interested in volunteering for: **Make 3 choices** (First, second and third choice)*

_____ **Birds, Bees, and Butterfly** - Med garden. Plants grown specifically for garden name. Hot topic for home gardeners

_____ **Cottage** - Med garden. Continuing work and design with an English garden theme

_____ **Edible Yard** (formally Hillside) Med garden. Last year was all prep, this year we plant!

_____ **Everlastings/Cutting** - Large garden. Lots of plants in group settings, many annuals

_____ **Food Forest** (formally Three Rivers Fruit Growers) Med size. Led by Scott Krieg.

_____ **Grounds** - All our space where an official garden is not. Good for the independent worker. This will involve trimming the spring bushes in the Promenade and thinning out items in the Glade.

_____ **Intern Garden** - annual garden working on garden design concepts. **Only available to current Interns**

_____ **Monet Pathway** - Med garden. Based on Claude Monet's paintings using specific colors in groupings.

_____ **Ornamental Grass** - Med garden. Different ornamental grasses and annuals for a balanced goal

_____ **Patio** - Small garden. Urban garden focus resulting in a fun, inviting space.

_____ **Prairie** - Large garden. Indiana native prairie plants in a very natural setting.

_____ **Rock/Rain** - Small garden. Showcasing environmentally friendly, water reducing ideas

_____ **Sensory** - Small garden. Focusing on using plants to heighten sensory awareness

_____ **Terrace/ Hydrangea** - Large garden. Hydrangeas, rooftop garden, pond and specialty groupings

Trial Gardens (pick one)

_____ **Trial Annuals** Highlighting new annuals

_____ **Trial Herb** Growing herb collection and new herbs

_____ **Trial Vegetable** Growing new vegetables, showcasing new ways to grow them as well

_____ **Woodland** - Large garden. Highlighting trees, shrubs and plants suitable for shade

**** In addition to being a member of a display garden you may also sign up to help with Plant Sales**

_____ **Plant Sales**-From working the plant sales to assisting in taking care of the plants for the sale. This funds the gardens
