

# 4-H ATV PROJECT (Poster)

(Last updated 12/2020)

**State Fair Entry:** No State Fair Exhibit

**References:** ATV Adventures! Rider Handbook

**Exhibit:** Use a 22" X 28" poster board with a stiff backing and a clear protective covering. Posters should be displayed horizontally. A [poster label](#) securely attached to the lower right-hand corner of the poster exhibit.

All posters, notebooks, and display boards must include a reference list indicating where information was obtained, giving credit to the original author, to complete the 4-H member's exhibit. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is recommended this reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed.
