## ***PURDUE EXTENSION – RUSH COUNTY***

***HEALTH & HUMAN SCIENCES*** “*Improving the quality of life for individuals, families, and communities through informal educational programs and educational materials.*”

As the Health & Human Sciences Extension Educator with Purdue Extension in Rush County, I provide a variety of programs, materials, and information for the residents of Rush County in areas that affect the quality of their lives. I work with individuals, groups, and organizations in the areas of foods and nutrition, family resource management, human development, and health education.

Programs dealing with parenting include *Have a Healthy Baby*, *Parenting Counts*, *Block Party*, *Parenting Piece by Piece* and the *Just in Time Parenting e-newsletters*.

Information about our programs can be obtained by contacting our office.

## ***JUST IN TIME PARENTING***

Just in Time Parenting (JITP), from eXtension.org, is an outreach innovation that brings quality, research-based information to families at the time it can be most useful and make the biggest difference in their lives. Over the past 25 years, Cooperative Extension faculty in land-grant universities have developed and evaluated an unusually parent-friendly series. Capitalizing on the “teachable moment,” monthly “just in time” newsletters are delivered – keyed to the age of each parent’s child. A team of Extension professionals from over 30 land-grant universities are transforming these research-based age-paced newsletters into a national interactive Internet resource on parenting.

When registering for the newsletters please use the Indiana coupon code—IN10JITP.

## **ALCOHOLICS ANONYMOUS &**

### **AL-ANON**

AA is a recovery program for the person who has a problem physically, mentally, and spiritually with alcohol or drugs (legal and/or prescription). This 12-step program helps this person understand and manage this addiction without the use of mind-altering drugs. This is not a drug “treatment” program, but a group effort to deal with the problem

Al-Anon is for the family, close friends, and loved ones concerned with someone’s problems with alcohol and drugs. This program helps them to understand and cope with the “disease”. This, also, is a 12-step program to help find serenity despite active drinking and/or drugging.

In Rush County, AA and Al-Anon meet every Monday at 7:30 p.m. at St. Paul’s United Methodist Church Education Building,  
426 N. Morgan Street, Rushville, IN. Phone (765) 938-2421 for more information.

# ***BIG BROTHERS BIG SISTERS OF RUSH COUNTY***

Big Brothers Big Sisters of Rush County's mission is to help children in need to reach their potential through professionally supported, one-on-one mentoring relationships with carefully screened volunteers. Our goal is to see successful mentoring relationships for all children who need and want them. This will contribute to better schools, brighter futures, and stronger communities for all.

The traditional program is for children in the Rush County community from ages 6 to 18 (or until they graduate). A child is matched with a "Big" or volunteer that best suits them. The match will spend 6 to 16 hours together per month.

The lunch buddy program is available at Milroy Elementary and is for any student recommended or interested. These students meet with a Buddy during their lunch hour only. Our volunteers are also from the Rush County community.

## ***GRANDPARENTS AS PARENTS***

Are you raising a second family? Are you a grandparent who expected to enjoy retirement and the role of spoiling your grandchildren, but due to circumstances beyond your control, find yourself raising those grandchildren? We can help you find ways to link with outside resources, find answers to your questions or find connections with others who share a common circumstance.

## ***4-H YOUTH DEVELOPMENT***

The 4-H Youth Development program assists youth and adults in their development by conducting hands-on educational programs, using the knowledge base of Purdue University, other land grant universities and the United States Department of Agriculture. 4-H is a great opportunity for families to work together toward a common goal. 4-H uses age-appropriate activities and allows for creative expression of thoughts and ideas through project work.

Traditional 4-H is for grades 3 through 12. Cloverbud 4-H is available for kindergarten, first, and second grades. Family involvement is stressed and makes for a more successful experience. Also available are different educational programs and opportunities for school enrichment. Further information about joining 4-H or other educational programs can be obtained by contacting our office.

## ***FAMILY NUTRITION PROGRAM***

The Family Nutrition Program (FNP) through Purdue Extension provides free information about foods & nutrition for individuals & groups. The program assistant uses a variety of hands-on-food preparation and other interactive activities. FNP helps people make healthy changes, and serves anyone who has limited resources.

## HEAD START- RUSH COUNTY Interlocal Community Action Program

Head Start is a no-cost preschool program that helps develop the educational, physical, and social-emotional lives of children so they are well-prepared for their future education. Head Start has five classes at three locations in Rush County with some transportation available. Children must be 3 or 4 by August 1st of the current year. Interested families can contact the Rush County ICAP Outreach Office at 765-932-2863 or contact the Main Office at 765-529-4403.

- Locations in northern Rush County, Rushville, and Milroy
- Some morning and afternoon classes
- Free for families that qualify
- Limited bus service available

### RUSHVILLE PUBLIC LIBRARY

It is the mission of the Rushville Public Library to:

- Respond to the information needs of all citizens of our community;
- Enhance and encourage imagination, exploration, recreation, and intellectual growth;
- Anticipate and address the cultural, educational, business, and technology interests of the public; and
- Develop and provide a welcoming environment that promotes literacy, learning, and an improved quality of life.

The library provides programs for all ages, but focuses on children from infants to 18. Some of these programs include weekly story times for preschoolers (infants to 5 years old), monthly after-school programs for children K-12, and a summer reading program for infants through adults (May-July). All children (pre-school – 12th grade) can get a free library card no matter where they live within Rush County.

Library services are free to those who reside or own property within the Rushville city limits. People who live outside the city limits must pay a fee which is determined by the State of Indiana. Some county townships pay part of this fee. However, everyone is welcome to visit the library and use its resources in-house at no cost. It's a relaxing, peaceful place for parents and grandparents to visit with their children and discover the joys of books and learning.

### *ALL PRO DADS*

This program was started in 1997 by Tony Dungy. We meet once a month during the school year, except for December. Dads and their children eat breakfast and work through an All Pro Dad Agenda. The meeting, which focuses on different family topics, lasts 45 minutes.

#### MISSION STATEMENT:

Our goal is to enhance the family unit in our school community by promoting the importance of the family structure through the male role within our school. We want to meet the children's needs socially through mentoring and mental support by being present and supporting the importance of education. We also want to have children promote respect to adults, peers and themselves; develop character and self-respect; and to strengthen academic excellence.

#### OUR PHILOSOPHY:

It takes a family unit, open communication and a positive environment to advance children socially and academically to enhance the importance of education achievement.

## ***PRESCHOOLS***

Rush County has several options for pre-kindergarten education. Head Start, Rush County Schools, some of our churches and some private businesses offer parents a choice.

**WACKY WEDNESDAY  
AFTER SCHOOL PROGRAM**

From September to May  
Wednesdays from 2:30 pm – 4:00 pm  
Milroy United Methodist Church  
114 N. Pleasant, Milroy, IN 46156  
For Elementary students: Christian stories, crafts, snacks, and music  
No charge.

**RUSHVILLE POLICE DEPARTMENT  
CHILD SAFETY SEAT**

The Rushville Police Department located at 270 W 15th Street, Rushville, Indiana, established a child restraint safety public service. The focus of the program is geared at protecting Hoosier children's lives while in transit on Hoosier Highways.

The permanent fitting station is located at the Rushville Police Department and is open during normal business hours by appointment only. Parents and caregivers can call the Rushville Police Department at (765) 932-3907 to schedule an appointment to have their car seat installation evaluated from 7am until 5pm Monday through Friday. The station is staffed by a nationally certified child restraint safety technician who will inspect the car seat and instruct caregivers on how to properly secure children in their vehicles.

Statistically one out of every five car seats is used incorrectly. Improper use of a child safety seat can lead to severe injury and/or death of a loved one.

Caregivers will also be provided with educational material in the form of instructions and information on proper child restraint information.

According to Indiana state law, children from birth to age eight are required to be restrained in proper child restraint devices. Children ages eight to sixteen years of age are still required to ride in proper safety seat restraining and/or seatbelt. This law applies to all vehicle seating position including trucks.

The Governor's Council on Impaired & Dangerous Driving is funding this program with technical support provided by the Automotive Safety Program at Riley Hospital for Children, and the Indiana University School of Medicine.

More information is available by visiting [www.preventinjury.org](http://www.preventinjury.org).

**V. Health & Wellness**

**RUSH COUNTY HEALTH DEPARTMENT**

The Rush County Health Department was established to promote and enforce public health laws and needs. They:

- Record vital records including births, death and legal name changes.
- Investigate environmental concerns/complaints and oversee residential/commercial sewage disposal systems in the county.
- Provide public health nursing, childhood immunizations and track communicable disease in the county.

Some fees will apply.

## **BOY SCOUTS OF AMERICA**

For over 100 years, the national organization Boy Scouts of America has remained faithful to its pledge to do its duty for God and country. We are honest, trustworthy, doers of good deeds and experienced in outdoor survival. Scouts camp, climb, learn emergency preparedness, experience different areas that are useful for future job positions (i.e. wilderness survival, computers, farm mechanics, chemistry and more). These experiences are meant to build character, gain independence and make them better citizens in their community, nation and the world.

This summer Rush County Scouts will plan many activities, including summer camp:

Cub Scouts - 4 packs (Boys 1<sup>st</sup>- 5<sup>th</sup> grade)

## ***BOYS AND GIRLS CLUB OF RUSH COUNTY***

The mission of the Boys and Girls Club of Rush County is to enhance the quality of life for boys and girls as participating members of a richly diverse society.

The Boys & Girls Club helps youth help themselves by realizing their potential for growth and development as they grow into contributing human beings with the necessary skills for living.

For this to be accomplished, we must provide service based on principles of behavior guidance which will achieve the health, social, educational, character and leadership development of our members.

Any boy or girl between the ages of 5 and 19 can join. No child will be turned away because of the inability to pay the dues. Hours during the school year are Monday – Thursday after school until 8:00 pm and Friday after school until 6:00 pm. Vacation and summer hours are posted.

## ***PARENTING WITH LOVE & LOGIC (Home/School Liaisons -Rushville Elementary Schools- East & West)***

The Home/School Liaisons of Rushville Elementary School East & West serve as a link between home and school. We strive to work together to support our students and families. We are able to provide assistance through individual, group, or family sessions. These sessions can occur in the school, home or community environment. We also teach character traits to all students including respect, responsibility, ways to be peaceful, problem solving skills and active learning skills through our Bucket Filler Program.

In addition, we offer ideas to families through our “Parenting with Love and Logic” program. The philosophy of this parenting program is to teach children responsibility while avoiding power struggles. Parenting with love and logic will help your children develop into self-confident, motivated individuals prepared to handle real world situations. Please contact the school for additional information.

### ***Interlocal Community Action Program***

Energy Assistance Program (EAP) - November through May 15th or until funds are exhausted (A one time benefit toward electric and heat for income eligible households) EAP can help assist families with a portion of their heating costs.

Energy Education Training - A training is held for EAP eligible households to learn ways to conserve energy. Clients attending the training will receive an energy conservation kit. Trainings are held during the summer months.

Summer Cooling Program - June through September or until funds are exhausted: As funds become available, income eligible households receive a one time credit toward their electric bill, or if requirements are met, households may be able to receive an air conditioner with a doctor's statement explaining a health issue.

Section 8 Housing Choice Voucher Program - Client must first be placed on the wait list. At the time of printing the wait list is closed and there is not a date available as to when it may open. When client's name comes to the top of the wait list, a packet of information is mailed to them. Once the required information is returned, income and assets are verified and a criminal background check is completed, the client is issued a voucher and begins seeking safe & affordable housing.

Head Start - Contact Joel Troxell for information at (765) 529-4403 or Linda Wildey at (765) 932-2863.

The Retired Senior Volunteer Program is a volunteer network serving Henry, Hancock and Rush Counties. People age 55 years of age or older volunteer in their community to help make a difference by mentoring or tutoring children, assist victims of natural disasters, lead fundraising efforts, clean up the environment and much more.

The Foster Grandparent Program offers anyone age 60 years of age or older the opportunity to provide children the much-needed attention that can change lives. They must be able to volunteer an average of 20 hours per week; meet income guidelines, and love children. Foster Grandparents can help children to read, care for children with disabilities and offer counseling to those who need it. Foster Grandparents are the people children in need depend on for love, wisdom, and support.
